I. Call to Order and Roll Call

The City Council Public Hearing on the FY20 Millage Rate Virtual Meeting was called to order at 11:41 am by Mayor Shameka S. Reynolds. A roll call was taken and the following City Council Members were present: Amelia Inman, and Ric Dodd. Diane Howard, Darold Honore, and Vanerriah Wynn were absent.

II. Consideration of 2020 Millage Rate

City Administrator Lathaydra Sands worked closely with DeKalb County on the rollback rate, proposing to accept 11.081 as the millage rate, with a 0% increase.

State Representative Doreen Carter, resident of City of Lithonia commented that when looking at the digest, Lithonia's value has increased almost \$20ML, her question is that she would like to know how the \$421,000 is allocated in the budget, and if the \$421,000 is actually needed with a significant increase within the past 5-years. Ms. Carter is requesting to see a copy of the FY20 budget.

There were no questions or comments from Council.

III. Adjournment

Councilwoman Inman motioned to adjourn the meeting, the motion was seconded by Councilman Dodd; and the meeting was adjourned at 12:05 pm.
